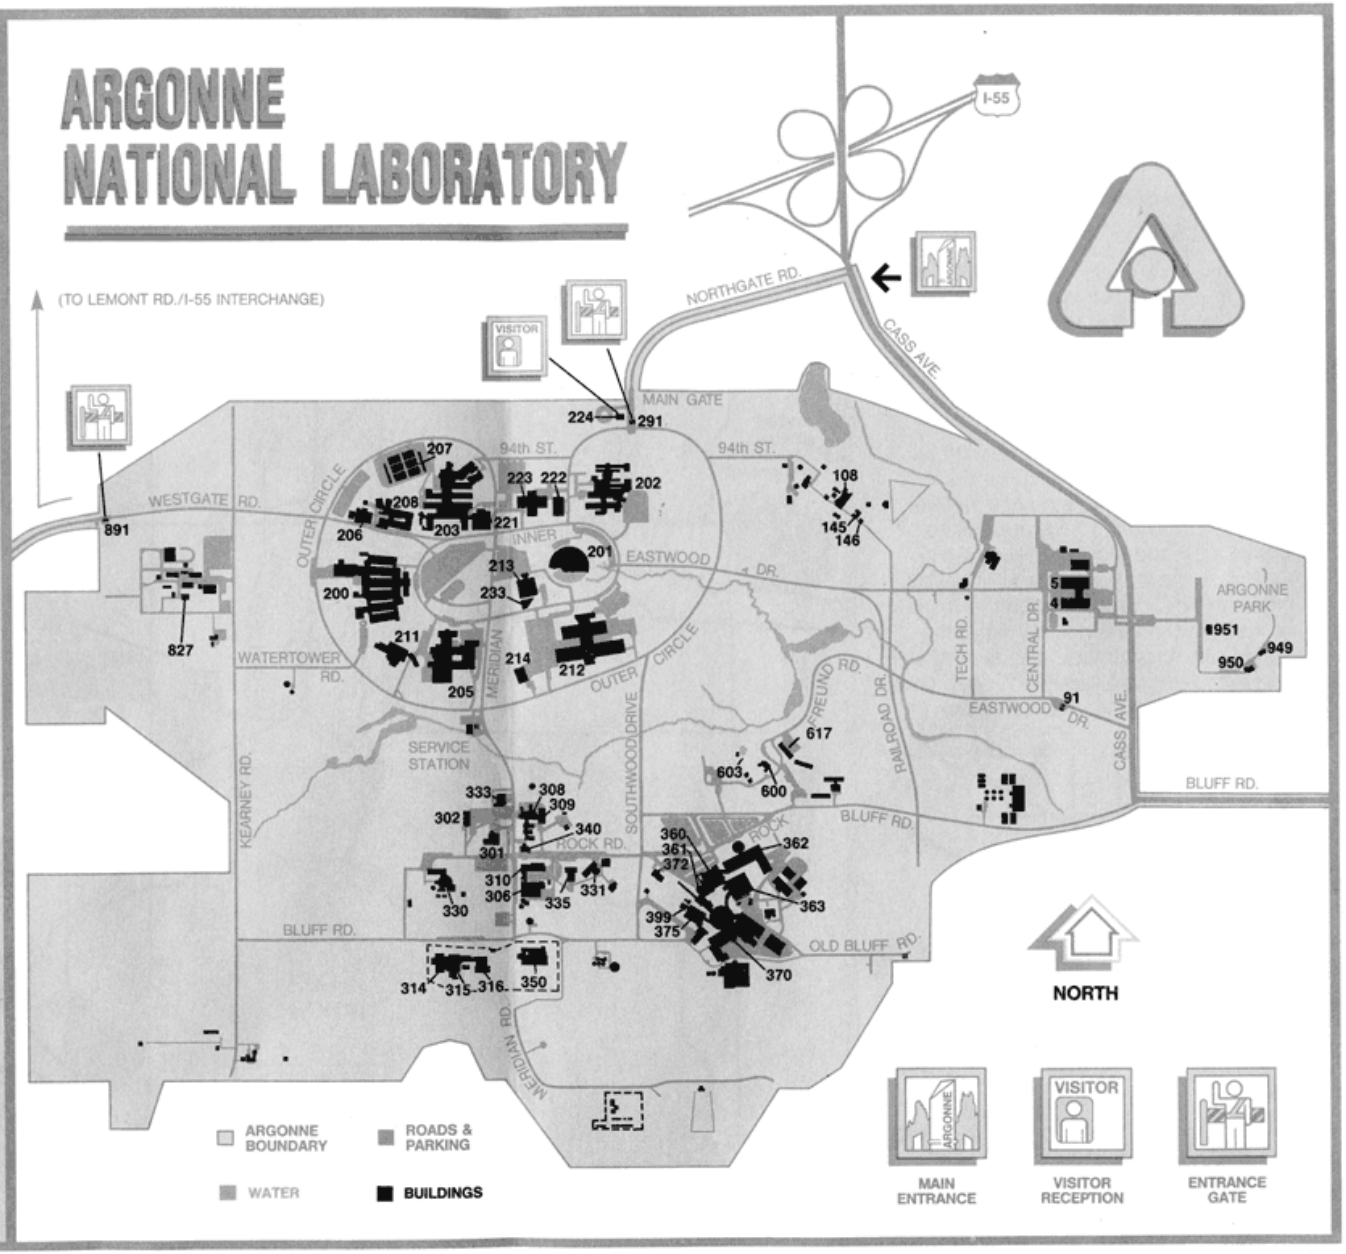
Buildings

4 Receiving/Shipping
5 Warehouse
91 Guard Post
108 Central Boiler House
145 Ampel Facility
146 Fossil Energy Users Laboratory
200 Chemistry
201 Administration ANL-DOE/CH
202 Biological and Medical Research
203 Physics and Environmental Research
205 Chemical Technology; Fusion Power Program
206 Reactor Analysis and Safety
207 Applied Physics; Engineering
208 Reactor Analysis and Safety; Applied Physics
211 Cyclotron
212 Materials Science; Materials and Components Technology
213 Cafeteria
214 Plant Facilities & Services
221 Computing Services; Mathematics and Computer Science
222 Electronics; Graphic Arts; Film and Video
223 Materials Science; Educational Programs
224 Visitors Reception Center
233 Credit Union
291 Guard Post
301 Laboratory Office
302 Security
306 Reclamation
308 Materials and Components Technology
310 Experimental Breeder Reactor II
314 Fast Neutron Generator
315 & 316 Applied Physics; Technical Information Services
333 Central Fire Station
331 & 335 Materials and Components Technology
340 Newcomer's Assistance Office
350 New Brunswick Laboratory
360 Intense Pulsed Neutron Source/7 GeV Advanced Photon Source Project
361 & 375 Intense Pulsed Neutron Source
362 Auditorium; Energy and Environmental Systems; High Energy Physics
363 Central Shops
370 Ocean Thermal Energy Conversion; Electromagnetic Technology
372 International Energy Development Program
600 Lodging Facility Office
603 Swimming Pool
617 Exchange Club
827 Transportation and Grounds
891 Guard Post
949 Concession Stand – Recreation Area
950 Pavillion – Recreation Area
951 Argonne Recreation Center



ANL-133 (6-89)
